The Men's and Women's Weekends of NFTD #57 are fast approaching!

Please keep these teams, their families, and the candidates and their families in your prayers.

Speaking of candidates...our Pre-Weekend Couple says we have lots of room for more candidates. Applications have been received, invitations have been sent, BUT the Pre-Weekend couple need those CONFIRMATIONS!! If you are sponsoring a candidate it is part of your responsibility to see that their confirmation are returned. If you have any questions or concerns about your candidates spot on the weekend please call Wendell and Annie Tillman, our Pre-weekend couple, at 850-284-1657.

May we all "Be Still and Know That He is God" so that "He Softens Our Hearts."

Jesus Loves you, and so do we!

MEN'S NORTH FLORIDA TRES DIAS #57 • OCTOBER 5 - 8, 2017

Brothers and Sisters in Christ,

It is hard to believe that the Men's Weekend #57 is almost here. The team that God has put together is such a blessing. Please keep this team, their families, the candidates, and their families in your prayers. My prayer for all is that the Lord will move us to "Be Still and Know He is God." God is in control! Please continue to pray for the weekend.

Your Brother in Christ,
Tommy Pafford, Rector # 57

Wow! It's almost here. Our team is ready to be the hands and feet of Jesus to the wonderful ladies He has selected for this weekend. We are all excited to see how He will Soften Their Hearts and shower them with His love.

I love watching the transformation from Thursday evening on faces from fear, uncertainty, and wondering what they are doing here to the faces Sunday evening full of love and joy. My prayer is their hearts will be filled and overflowing with the love they experience this weekend. I also pray for His daughters who have served so faithfully on the weekend to experience His loving devotion to them in ways they have never felt before.

Please keep the men's team and candidates in your prayers as they go before their wives. Please keep the ladies lifted up as well. We are ready to play in the garden Jesus has prepared for us. We are ready to sit at His feet and listen and experience one on one His love. We are ready to let our Daddy love us

DeColores!

Sponsorship

OK Sponsors! This is it. Make sure your candidate has returned their confirmation!!

JUST A REMINDER:

The weekend fees are \$110.00, and are due at send-off. If the sponsor is paying their candidate's way, great, but if not remind them the fee is \$110.00, and that is due at send-off. Do not embarrass the candidate at send-off by not having this understood prior to send-off.

Make sure your Candidate is secure in knowing that while they are away, you as their sponsor, will be, or you will have someone else be, available to help with what goes on at home. This is just another way to help them, "Let go and Let God." This will also help the wife to know that, while her husband is away, we didn't whisk her husband away just to leave her holding the bag; so to speak. This could leave a bad taste in her mouth, and she may not receive what Daddy has for her. Sponsors you need to be there for the spouse and family (or make sure someone else has it covered) whatever their needs may be...childcare, pets, etc. Be at closing to take them home after their weekend. Don't just assume someone will get them home. It is your responsibility to get them home after their weekend. On their fourth day make sure that you continue to pray for them, and that you continue to support them in their Christian walk! When you sponsor someone it is now your responsibility to be there for them!

Fourth Day Couple

Palanca is the Spanish word for “lever”, and what better lever is there than Prayer?

North Florida Tres Dias is just a small part of the many communities that are continually praying for each other. To find out more about the various Tres Dias Communities go to the International Tres Dias website, tresdias.org. In addition to other Tres Dias Communities, we also partner with other communities such as Walk to Emmaus, Cursillo, Kairos, Via de Cristo and Chrysalis, and many more that want to life each other up to glorify Christ and strengthen our relationship with God the Father, Son and Holy Spirit.

You can be a part of praying for the weekends even if you are not serving on a team. You can write a general palanca letter to encourage the candidates. General palanca letters are the letters you see from other communities throughout the world, as well as NFTD team and community members. Those letters mean so much and show that people are praying for them! If you would like to send a letter, please contact and/or send it to the Palanca Couple, P.O. Box 671, Thomasville, GA 31799 or email to stormyanne@hotmail.com.

Some people like to bless the candidates with little tokens, food, etc. to show just how much they are loved.

The guidelines listed below include best estimate (~) and suggested numbers (#) in case of breakage and are the same for both men and ladies weekends. Please make sure to put the number enclosed on the container for the palanca and make sure that you have the amount needed.
