## From the Secretariat

If you have a family member or a candidate on the weekend, and an emergency arises that needs the immediate attention of someone who is sequestered on the weekend, the following individuals are the points of contact for each weekend. Please keep in mind that these individuals are also serving on the weekend, and are also sequestered. Contact should ONLY be made in case of an EMERGENCY. For men's weekend #59, you can reach Aaron Allen at (229) 403-1195. During the women's weekend #59, Judy Godwin can be reached at (229) 221-7378.

Also, it has been brought to our attention that it continues to be a problem with members of the NFTD Community coming on the campground before 5:00 pm for Sunday Closings. Please remember that the weekend is sequestered, and that the last moments before closing are important for the candidates, as well as, for the team as they are completing their final duties of the weekend. We ask that each and every one of those who are not serving on the weekend wait until 5:00 pm before stepping onto the campground.

# NFTD Men's #59

Decolores,

Wow. how this last year has gone by so quickly. Men's NFTD #59 is a few short days away. We have had many heads meetings, critiques for the talks, 6 team meetings, and a script meeting all to prepare us for what the Lord has in store for us from October 4th through October 7th. I am sooo excited, because I know that, through prayer, He will show up powerfully to show us that "This is the day that the Lord has made, let us rejoice and be glad in it". The candidates and the team will confidently choose to say, by the end of the weekend, "Rejoice, it's your choice."

I want to personally thank all the Heads, Spirituals and team members for all their efforts to put Men's NFTD #59 together. I know that the Lord will honor our efforts with His presence on the weekend to bring us all closer to Him as we walk out our "Fourth Day".

Blessings,

Scott Farney, Rector #59

# NFTD Women's #59

Dear Beloved,

We are a few days away from our last team meeting and 2 weeks away from the women's weekend. The excitement is building within the team and I'm sure the candidates. Each of our team meetings have been amazing. We have heard awesome talks, had wonderful fellowship and our Spiritual Directors have given us a Word from the Lord at each meeting. The team is prepared and we are trusting God to show up powerfully on the weekend.

For anyone that is not serving on the campground please remember there are other ways to serve. Please pray, send palanca and attend the Sendoff and Closing of the weekends. Also for the men in our community we would love to have a full kitchen at Serenade...it means so much!!!

Thank you for continued prayers for the weekend, the team, the candidates and especially for Scott and I. Our prayer is that we only do what we hear our Father do and say only what we hear our Father say!! Excited as we are, we don't want to get ahead of Jesus!!!

Blessings,

Chris Farney, Rector Women's NFTD #59

Can you feel the excitement in the Heavens!!! Time for some Pretty Special People that Daddy God has hand-picked to go and get to spend a weekend on His lap...

I always get this feeling of excitement as the time draws closer that I get to be the hands of Christ in Action!!!

That being said: Wendell and I would like to Invite the community to come and show some love to these PSPs (pretty special people), at Their Send-Offs, the Men's Send-off is October 4<sup>th</sup> 2018, at Freedom Church on Thomasville Road with the party starting at 6:00pm come early to get a good seat!!!! Doors open at 5pm. And the Women's will be October 18<sup>th</sup> 2018, at Freedom as well! Same time!! Remember this is a golden opportunity to let the Candidates and our Rectors Scott and Chris Farney know that the entire community is supporting them!

Both Send-offs will be followed by a chance to get to pray for our Rectors, our Teams and our Candidates.

And Speaking of praying, are you serving our community at home this weekend, and not part of the team on the campground, But, you still would love a chance to get an hour time slot to pray and let the candidates know how much they are loved and being prayed for. The community now has an opportunity to sign the prayer scroll, Our Palanca Couple, Walter and Jennifer Sikes, will have the prayer scroll available to sign at each send-off! It will be behind the double doors as you walk in to your right. Please let's fill those slots with two or more, even five names a piece... How awesome of a chance to get to be a part of the weekend. We are so excited about this!

So Don't forget Send-off: Men's October 4<sup>th</sup>, Women's October 18<sup>th</sup> At Freedom Church..

We can't wait to see you all there!!!

Remember there is NO Sequela in October! Our next one will be the Victory Sequela on Saturday, November 10 th @ 6:00 pm at First Baptist Church of Thomasville.

Thank you!! Thank you!! Thank you!!

We just wanted to give a big shout out to all of those who chose to be CHA's (Christ Hands in Action) on the work day at the campground in Dowling Park a couple of weeks ago. The campground was in need of some TLC, and many of our brothers and sisters in the community (between 35 and 40) stepped up and sacrificed their Saturday to give the grounds and buildings the attention it needed. Not only did the community come together to accomplish a lot but, we had fun laughing and working side by side getting to know each other better. Here is a list of accomplishment for the day. Landscaping teams spent the day trimming bushes and trees, raking up leaves and trash, putting pine straw around bushes, clearing debris and limbs from the grounds, and weed eating and spraying round up. The cleaning teams tackled the inside of the buildings with some much needed and detailed early spring cleaning which included wiping walls, chasing spiders out of the bunks, and scrubbing the bathrooms and floors. The many spider webs, spiders, wasp nest and dirt dauber nest were pressure washed from the outside of the buildings by these teams as well. The maintenance teams accomplished some specific needs including painting of the gym floor, putting doors on the on the toilet stalls in Oak 3, changing the light fixtures in the foyer in the gym, and repairing the glass doors in the gym, as well as other detailed tasks. The community came together and worked extremely hard accomplishing more than imagined.

Please know Doug Mabey and the all the folks at the Christian Advent Village sincerely appreciated your hard work. We are planning to make this an annual event. If you helped us make this day success, we would love to get your feedback on how you felt the day went. Also if there are any ways to improve this event, please feel free to email any thoughts, ideas or suggestions to [karenandmarksavage@yahoo.com](mailto:karenandmarksavage@yahoo.com).

Much Gratitude and Love,
