Men's Weekend #59 - October 4-7, 2018

Decolores,

Men's NFTD #59 is only about a month away. We have had 3 of the 6 team meetings and God is unifying and preparing us for the weekend. Everyone on the team is rejoicing with anticipation on what He is going to do in a few short weeks.

The theme "Rejoice, it's your Choice" reminds us all that we are to rejoice, no matter what life hands us. We want to always strive to react in a way that is pleasing to God. If we do, it will be a positive influence for our spouse, family, friends and co-workers. How will you react the next time you face a difficult life situation? Will you rejoice? (It's your choice.)

Now is the time to sponsor a couple or single person to be a candidate, if you have been considering it. If you are not able to serve on weekend #59 for the men or women, we highly encourage that you bless a fellow brother and or sister in Christ, with the opportunity to be on a Tres Dias weekend.

Chris and I both covet your prayers for health, safety, and hearing from God as we continue to make decisions concerning the team meetings and the weekend. We thank you in advance.

Rejoice, it's Your Choice,

Scott Farney, Rector #59

The theme for the weekend is: **"Rejoice, it's your choice."**

The weekend scripture is:

**"This is the day that the Lord has made, let us rejoice and be glad in it." Psalm 118:24**

The song for the weekend is: **"This is the day"** by Planetshakers

# NFTD Women's #59

Dear Beloved,

What an exciting time we are in!! We have had two of our six team meetings and God is doing great and mighty things in and through this team already!!! I see the tapestry of the ladies as they come together making a beautiful picture of God's hands and feet. We are here first and foremost to serve and worship Him, our King! We then look outward to love and serve each other!!! We don't have to think about ourselves at all because as we love and serve God and each other, we are taken care of in the process. That's how a family works and that is how this beautiful team "family" is preparing for an amazing weekend in October.

Do you have someone Holy Spirit is asking you to sponsor? Have you talked to them about it? Quoting from our Essentials, "The TRES DIAS Movement endeavors to bring Christians to a closer, more personal walk with their Lord Jesus Christ and encourage them to Christian leadership and Apostolic Action in their environments." We can all use more of this and that is why we serve and are a part of Tres Dias. We have friends and family that could be helped along their journey by attending a weekend and becoming a part of our family. Will you pray about sponsoring? Applications are online at [www.nftd.org](http://www.nftd.org). Don't let time stop us from offering others what we have received!!!

Thank you for continued prayers for the weekend, the team, the candidates and especially for Scott and I. Our prayer is that we only do what we hear our Father do and say only what we hear our Father say!! Excited as we are, we don't want to get ahead of Jesus!!!

Blessings,

Chris Farney, Rector Women's NFTD #59

**Theme: Where are you My Beloved?**

Dates: October 18-21, 2018.

# Sponsorship

Letters are out..

If you have sponsored someone to go through Weekend #59 they should have gotten their invitation in the mail... Please check with your candidate to make sure that they have sent the confirmation back to us.. Remember they will not have a spot on the weekend unless we have gotten that back in our hands.

That being said, we do still have room on both the men's and women's weekend.. Now is the time to talk to the people Daddy God has put on your heart to sponsor. Now is the perfect time to send in those Applications.

Please remember that the candidate must be in a relationship with Jesus (they must be Christian), if they are married that the husband needs to go through first, that husband and wife need to attend the same number weekend. (Unless one has already attended Tres Dias or one of our sister movements,) and that they must be at least 21 years old to attend. And it is real helpful to those in your churches who are in leadership roles.

The fee to attend is \$120.00 please know that as the Sponsor it is not your responsibility to pay the fee. If you want to you can. But please make sure that your candidate knows that there is a fee, how much it is and that it is due at Sendoff.

Again, we cannot thank you enough for praying and considering Sponsoring. It is the way Daddy God grows our community..

We love you, and we love this wonderful Christian community!

In Christ love for His church!

# September Sequela

There has been a change to the upcoming Sequela in September. We originally had scheduled an all-day family event near Moody AFB, but a need has come up at the Dowling Park Campgrounds we use during our Tres Dias weekends. The leaders who manage the campgrounds have reached out to us and requested some help cleaning up and making some small repairs around the campgrounds, and NFTD is stepping up to the challenge to make sure our campground is in the best condition we can get them before our weekends kick off in October. Therefore:

Saturday, September 8, 2018 will be a unique, one-of-a-kind opportunity for the community to come together for a work day at the Campgrounds we all know and love. We will start the work around 8am and keep pushing until all the work is done (or till 5pm). Even if you can't stay for the whole day, come out when you can and help the community make a difference.

A ministry team from Victory Fellowship Church along with Lee and Theresa Williams, the 4th day couple, will be leading the work teams. The Project Manager will be Tim Martin and the Team Leaders will be Mark and Karen Savage. To give our organizing team an idea of how many they'll have to work with, please let **Mark and Karen Savage (marksavage3647@yahoo.com)** know by sending them a quick message. We do ask that you sign up for the work teams based on special skills and preferences of job task. The following teams will include: Landscaping, Clean Up, Painting and Handy Man Work. Please give us the names of each volunteer along with a contact number. Once the teams have been established we will be contacting you about bringing tools and supplies as needed to complete each project.

Instead of bringing a covered dish as normal with a sequela, please bring your own lunch or you can visit the small café at the lodge (hours on Saturdays are from 7:30 to 7:30). Bottled water will be provided. Bring any snacks for the day along with your favorite picnic blanket or lawn chair to enjoy a short lunch and needed breaks with your work buddies.

However, child care will not be provided, so please plan accordingly.

If you have any questions, contact Tim and Lynn Martin or Mark and Karen Savage. Thank you in advance for having a heart of serving and giving.

**Please keep these Communities, and their upcoming weekends in your prayers!**
