# Men's Leader

God tells us that life will really suck at times, but He will be with us and that's all we need. Every testimony on the weekend is because God brought someone through a hard place. Sometimes we don't see it, most times we complain about it, but God can always make something good out of it.

As we look forward to celebrating the birth of our savior, remember that God gave more than we ever could. His testimony includes enduring what we deserved but could not endure. He did it on purpose. He did it with passion and resolve.

He loves you! He is molding you. Today, even this season is just a short time compared to what He has planned for us. Keep rejoicing, you have been given much. Make much of it.

# Women's Weekend #63

Tres Dias Family,

I can not believe how fast the time has gone since October! In a few short weeks we will be on the campground loving on our new Tres Dias Family Members. Can you feel the excitement growing in the air? The cha's are buzzing, getting ready and prepared to do Daddy's work on the weekend.

Daddy God has been good to us this community and I am so grateful to Him for this opportunity He has given me to serve as the Women's Rector on Weekend #63. It has been amazing to say the least.

I remember weekend 40 like it was yesterday. How excited I was to get to go through; how on my weekend Daddy began a new journey with me, how when I left the campground my way of thinking had changed. I was never the same again. God used Tres Dias to teach me who I really am in Him. And I can't wait to watch Him do it again. I'm sure many of you feel the same. And we are so close to crawling back up in Daddy's lap and letting Him hold us in the Palm of His Hand!

# Women's Weekend #63, continued

We still have room on the team. So, If Daddy has been whispering in your ear that He wants you to put in an application to serve, but you are thinking it's too late, it is not too late. There is room on the team.

We have the opportunity to be Daddy God's tangible love to the candidates He has handpicked. We get to be Jesus for so many who may not have ever felt the kind of love that Daddy God gives through Tres Dias. If Daddy is telling you He wants you to be His stand in, then I want you to be there and love on these ladies. Just know there is a place for you to serve. So, go to [NFTD.org](http://NFTD.org) and fill in the application to serve and we will place you on the team. It is such an awesome experience to get to be a part of Daddy's team and get to be used by Him as we once again gather together on our beloved campground and give our new sisters a proper welcoming into the Family.

I love you all!

# Fourth Day Couple

A big hello to our Tres Dias family!

There will be no Sequela this month as we head into our respective Weekends. I know we are anticipating our time on that sacred campground. And we know that God works all things for the good of those who love him, who have been called according to His purpose. He has so much in store for this Weekend, for His candidates, His rectors, and His team. Please remain in prayer, constant communion with our Heavenly Father, for it all!

Please mark your calendar for our next Sequela. It will be our Victory Sequela, May 14<sup>th</sup> at First Baptist Church in Thomasville, Georgia, at 5:00 pm.

In Christ,

Michel & Shea Sanders

Brothers and Sisters of North Florida Tres Dias,

As some of you are aware, we will be holding the Tres Dias Golf Tournament again this year. The Tournament will once again be held at Tired Creek Golf Course in Cairo, this year on May 14.
