But I trust in your unfailing love; my heart rejoices in your salvation.  
I will sing the Lord's praise, for he has been good to me.

Greetings Community,

Can you believe that summer is nearly over, and schools are about to resume in classroom instruction? That can only mean one thing--fall is right around the corner and we will soon be gathering once again down on the Suwannee River. As of the writing of this month's newsletter Rectors have chosen their respective teams, had Heads' meetings, and listened to the Rollista's practice talks.

I am reminded of my first time serving on Weekend 39 and the excitement that built throughout the Weekend. Everywhere I looked, a little more of my Weekend was exposed. I began to see and have a deeper appreciation for the sacrifices made by my brothers to assure that each candidate was shown God's love through their selfless actions and now it was my turn to do the same. Remember how excited you were or for some a nervous excitement? Try to recapture that as we return to the campground to serve those whom the Lord has chosen to receive his love.

A Weekend without candidates is like, well, Jonah's shrimp and grits without the hushpuppies. Please pray and ask God to highlight a couple, or an individual, who are walking as an example of God's love and displays a servant's heart. Remember, the purpose of Tres Dias is to strengthen leaders and send them back to their local churches to help lessen the load of the Pastor through Christ-like service. We all appreciate the healing and ministry that happens on the Weekends and, although there are occasionally those who receive salvation or re-dedicate their lives to the Lord, we should not be selecting candidates with the intention of getting them healed or fixed. My prayer is that each of you who have chosen to serve will come expecting to give your very best to the Lord and to his guest. Let's do all we can to re-strengthen our community and take back what the enemy has meant for evil and turn it to good.

De Colores,

Omer Kenworthy,  
Chairman, NFTD

# NFTD Women's Weekend #62

Brothers and Sisters,

The weekends are finally approaching, and as of the time of this writing we have had our Heads and Professors meeting and are just 7 weeks away from having our first Team Meeting on September 18. Practice Talks will take place August 28th. Please be in prayer as we move into the final phase of preparations.

God has been putting together a wonderful team, and there are still opportunities to serve. If you are interested in serving, please email me an application and I will pray to place you.

Applications for candidates are starting to come in. It would be a great time to check with those individuals you have been praying for or who have shown interest in attending a Weekend. If you are considering sponsoring someone, please make sure that they are active in their local church and have made a personal decision to accept Christ into their heart. One of the most important things in Sponsorship is to know your Candidate! Remember, at the heart of Tres Dias is strengthening our relationships with Christ and our families and building up leaders in our communities that will return to their local church and serve their church body and community.

Please continue to pray for the candidates and their families, our community, for David Poole, Annie Tillman, Mark Savage, myself, and our families as we move forward. Pray we continue to hear His direction and are obedient to His whisper. I love each and every one of you and your servant's hearts. So looking forward to all of us being on the campground soon!

Blessings,

Anne

**CAST HIS LOVE**

**Cast all your cares upon Him, for he cares for you.**

**1 Peter 5:7**

**Oct. 7-10, 2021 • NFTD #62 • David Poole, Rector**

Hello NFTD Community,

Thank you for your prayers for more cast team members. We are at 90 and have room for more. On July 17th we had our practice Rollos, and I'm very excited to see how God will use these men as they share the message of the Rollo. July 20th the Music Chas had their first jam session to prepare for the team meetings and the weekend to bring us into worship of praise for our Great God and Savior Jesus Christ, and for God to fill us with his love so we can Cast His Love to others.

First team meeting is Thursday - August 12th at 6:00pm at Thomasville Road Baptist Church (TRBC), Tallahassee FL, at 3131 Thomasville Road.

All 6 team meetings will be on Thursday night at 6:00pm at TRBC, starting August 12th to September 16th.

# Pre-Weekend Couple

Hello Brothers & Sisters,

Get those Candidate applications in. Remember we need you to submit a new application for the weekends that were postponed. We have plenty of space. Right now, we are at 9 men and 5 women. If you have submitted an application for your candidate, be on the lookout for your confirmation letter that must be sent back to us to be officially confirmed for the weekend! Our numbers are low but remember God knows who will be on the weekends. He's going to do amazing things in the hearts of the candidates. Always ask the Lord before asking someone to attend. Continue to pray for our Rectors David Poole & Anne Lisk! Don't forget about our P.O. coming up August 21st so that you can learn more about being a sponsor and how the weekends go.
