Tidings of Comfort and Joy

Unto us a Son is given.

*And His name shall be called,
"Wonderful," "Counselor," "Almighty God,"
"Our Everlasting Father," "the Prince of Peace."
...He shall reign forever and ever.*

*This Christmas season, receive His peace and know His love, forever grateful
and filled with His joy, resting in Him.*

From Our Rector of Men's NFTD #63

Hello North Florida Tres Dias Family!

It's been a busy two months since the weekend in October. A lot is happening and lots of plans are being made. I've been amazed to see Abba Father's plan coming together. I'm currently in the process of building His team and getting ready for the meetings to begin. I have most of the heads and professors in place and will be calling the rest of the team in the very near future. As you pray and feel led to serve on weekend #63, know there is plenty of room for you. Please go to nftd.org and fill out an application.

Please pray for both weekends, the teams and our families. Pray that the Kingdom of God is on full display as we get ready to serve the men being sponsored as candidates on weekend #63. Lastly, I encourage you to pray about who to sponsor for the men's and women's weekends.

Wishing each of you a very Merry Christmas!!

"Your Kingdom Come" Matthew 6:10

From Our Rector of Women's NFTD #63

I CAN'T EVEN BELIEVE HOW FAST THE DAYS ARE GOING BY. We are not too far from Christmas.

Daddy has been speaking to me about the team and placing people where He wants them to be. I am sure that it will be exactly where He needs everyone. I am so excited to see what He is going to do.

I am so grateful for everyone who has applied. We hope to have a full time and full candidates.

Please be in prayer about whether you need to put in an application to serve, and mostly about who Daddy might want you to Sponsor. Remember the only way Daddy God can use the tool we all love called Tres Dias is if we Sponsor someone to go through.

I know that Daddy God is going to show up and show out again and I know He already has planned out the people who will be there. Do your part to listen to His Voice as He whispers in your ear.

He is already holding each of us in the palm of His Hands, and He has never left you, not for one second in your whole life. He has always been there holding you and waiting for you to turn your head ever so slightly and see Him there. Let's not keep Him waiting any longer Let's reflect our Jesus by being His hands and feet. I just love the security in that thought. He has me. He holds me. He will never leave me. He has not forgotten me. All those things He promises us.

I love you all.
