

March 2022

Please keep the Rectors, the Spiritual Directors, the team members, the candidates God has chosen for NFTD #63, and all their families, in your prayers. Please also consider who you might sponsor for Weekend #63, and prayerfully make your decision.

Find rest, O my soul, in God alone; my hope comes from him. He alone is my rock and my salvation; he is my fortress, I will not be shaken. Psalm 62:5-6

Family,

Please continue to be in prayer for Shannon and Andy Hall!.

I cannot even believe that next month we will be back on our beloved campground being about Daddy God's work.

I have been so blessed and honored to walk this walk. I'm having a great time. I hope that everyone is feeling safe and secure knowing that Daddy God has them in the palm of His hands and He is working out all the details because He is the one watching out for us. He has not forgotten us nor His promises to us.

In all the craziness in the world we can be sure that Our Daddy God is the one who is large and in charge and He has our best interest at Heart... Can we be anymore BLESSED!!!!

If you are thinking about serving but have not yet put in your application, please be in prayer as there is still plenty of room on the teams. And if you are considering sponsoring someone, please again be in prayer as there is also still plenty of room for candidates too!

I am just so excited that we get to do this again and again and that Daddy always shows up and shows out every single time we submit to Him and say, "Here I am Lord. Send me."

Thanks for going with Me and Daddy and doing what He would have us do for each other and our New Sistah's.

Love you all.

Pre-Weekend Couple

Hello Family,

We are excited for the Spring Weekends to come. We have 15 men applications and 19 women. However, that's not how many we have confirmed. Sponsors, all confirmation letters have been emailed out and you have also received your letters letting you know. Please make sure you are talking with your candidates and get that information back in. It is not too late to sponsor someone. Remember sponsoring is a big responsibility before the weekend, during the weekend and in their fourth day. Please feel to reach out with any questions you may have. Please be sure to visit www.nftd.org for great information about our community!
