Hallelujah!

God's power and might on the NFTD #63 weekends was and still is evident. Praying for the upcoming rectors as God aligns His plan and will for NFTD #64. Pray for each other and our community as a whole as we continue to see His Kingdom first. Hope to see you all at the sequelas.

Women's Weekend #63

Wow!!! Just Wow!!

Once again, Daddy God showed up and showed out.

I am forever grateful to this community, to the team and to those of you who worked so hard on the campground, for the prayer covering and for the set up and take down crew. This is my family, and I love each and every one of you.

Thank-you for such an amazing journey, for trusting me even when I did not trust myself.

But---I do trust my Daddy God; He has never, ever let me, or any of us, down. He has us in the palms of His hands. So please stay there. Don't jump out. Let Him love you, and love on you.

To my Weekend Babies, thank-you from the bottom to the top of my heart for allowing me to serve you as your Rector. What an honor, what a blessing each and every one of you are to me. My heart grew 29 times bigger as Daddy placed each of you in there and allowed me to love you.

to be continued

Women's Weekend #63, continued

I look forward to serving with you in the Fall. I promise you if you think you were blessed this weekend, wait until you come back and serve on a weekend. It completes your three days, and you get to do that in your Fourth Day.

Don't forget Victory Sequela, May 14th at 5:00 p.m. at First Baptist Church in Thomasville....I'm going to need you all to come so I can hug you big....I love you all.

Pescadore Orientation

Welcome to the Family, New Pescadores!

We are excited to welcome you into our community, and we know that as the weekend settles down in your spirit, you will have questions arise like, “How is this weekend pulled off?” and “What makes it run so smoothly?” Well, we love answering your questions; We are the P.O. Couple (Pescadore Orientation Couple) and we have training to go over the history of Tres Dias and how it all comes together. It’s like a crash course in Tres Dias and prepares you for sponsoring candidates and for serving. We will be announcing the next P.O. training at the Victory Sequela, which we hope you can all attend.

N.F.T.D. Secretariat has issued this statement in regards to Pescadore Orientation: “Starting in Spring of 2023, it will be mandatory for Pescadores to attend a P.O. every 2 years in order to serve or sponsor.”

We want to train up great sponsors and great leaders. We feel that attending a P.O.. training is a great way to do this.

Let's Celebrate!

A big Welcome to the Family to all of our new Pescadores!

Please mark your calendars. Our Victory Sequela will be held May 14th at First Baptist Church in Thomasville, Georgia beginning at 5:00 p.m. This is a closed sequela; it is only open to those who have attended a weekend. We highly encourage our new Pescadores from both the men's and women's Tres Dias weekends #63 to attend. There will be no childcare available. Fried chicken and drinks will be provided. We are asking the community to bring a covered dish and/or dessert. We look forward to seeing everyone there as we continue to walk out our 4th day!
