From the Secretariat

Brothers and Sisters,

Wow! God showed up and showed out on the weekends as “He cast His love” on us and showed us that we are “Created, Crowned, and Called For Such A Time As This.” Thank-you to each and every one of you who attended, served, or prayed for the weekends. To our new Pescadores...”Welcome to the Family.” Please make plans to attend the Victory Sequela on November 13th where the Rectors for Fall, 2022 will be announced.

Blessings,

Bringing it home...

So many times, on NFTD #62 I heard men saying, "I sure needed a weekend." It made me think, what does that even mean? To me, it means feeling closer to God. I often wonder why the weekends are such a good uplift in our faith and how can we bring that into our churches (who is the church)? I think the main ingredients are a single focus on Jesus without distractions, a lot of prayer, expectation, brotherly love, and humility. Being sequestered for 72 hours helps remove distractions and move us closer to God.

I encourage you to take some time each week and apply those same things in your life. It probably can't be 72 hours, but why not take an hour or so before church services and before bed or early mornings, spending it with our Daddy God, asking Him to help you draw close because that is the MAIN THING!
Then you will be better prepared to be the light for all those in your environment.

NFTD Men's Weekend #62

Thank you, NFTD Community, for making the men's #62 a successful weekend. Your love and commitment to serve our Great God and Savior Jesus Christ was a beautiful encounter again with Christ. Thank you, sponsors, for sending the new Pescadores and I'm looking forward to seeing them serve soon. We have been in a 2-year rain delay, and we restarted inning #62 for NFTD renewal weekends and I pray our community will grow stronger everyday.

Because Christ has Resurrected and is Alive in us all.
Remember to **Cast His Love,**

1 Peter 5:7 " Casting all your care upon him, for He cares for you."

Have you shared Christ with someone and given your nickel to them ?

I have more nickels if you need one.

God Bless

Brothers and Sisters in Christ:

We finally made it to and through Weekend #62! What a journey it has been! So many emotions felt and blessings received on this journey that I will forever remember. Our God is so good! He took us through our season of waiting and blessed us tremendously on HIS weekend! Everything He designed came to pass and was even more than I ever imagined! Such a sweet time in His presence, in His timing, for such a time as this!

To our new sisters, never forget that God chose YOU for this weekend and He has anointed and appointed you to carry out your part in His plan. Put into practice all you have been given. Stand firm in your anointing knowing He created, crowned and called YOU into your part of His plan - for such a time as this! I cannot wait to serve beside you all in the future!

To the faithful team of NFTD #62, words cannot adequately express my appreciation to you. You truly gave your time, talents and resources and listened to Holy Spirit's direction. Your sacrifices and service helped make His plans happen. I cannot say Thank you enough to all those who have been on this journey with me, especially my awesome Head Cha, Carole Wiemer, and Assistant Head, Donna Thomas. I am truly thankful for my "trio sisters" and our friendship.

To my Tres Dias family, thank you for all your prayers and support during this season of waiting. Those prayers were truly felt and needed! As you move on to praying for Weekend #63, please pray about sponsoring. There are so many out there lost, looking for what we have, needing the tools to be leaders in their churches, communities.

Thank you all again for this amazing opportunity. May God continued to be glorified in it all!

Blessings and Love,

Anne Lisk

De Colores!

NFTD #62 weekends were amazing. God was truly in the details once again and we can't wait to see how everyone's 4th day is going.

NFTD Men's Weekend #63

Greetings North Florida Tres Dias Family,

WOW!! What an amazing set of weekends for NFTD #62. I want to give David Poole and Anne Lisk a shout out for a job well done. Your patience, persistence, and your trust in our Heavenly Father brought honor and glory to Him. Thank you to all the men and women who sacrificed to serve on the teams. May you be highly blessed.

Please keep Annie Tillman and me in your prayers as we are getting revved up and putting into motion the plans that Father God has shown us for Weekends #63. In the very near future, we both will be wide open building teams, sharing visions, and preparing for the candidates. Getting team applications from each of you who are willing to be Christ's Hands in Action, is the next crucial step in putting the right people in the positions that Daddy wants them in.

If you have a desire to serve where God wants you to, please go to nftd.org and fill out a team application. The men's apps are automatically emailed to me, and the women's apps are automatically emailed to Annie. We are both eagerly awaiting your application.

May the Father of our savior, the Lord Jesus Christ, bless and keep you!!

NFTD Women's Weekend #63

Another successful, powerful, Honoring-Him-and-Only-Him, weekend. There was healing and restoration all completed by our Jesus!

It was a long time coming. But, as we all knew He would, **Daddy did it again!**

I can't even tell you how honored I am to be asked to serve this community as Rector of Weekend #63.

This community is mine and Wendell's Family and we love you all very much. Daddy is talking to me as I am praying for His will to be completely done on the upcoming weekends.

Please be in prayer about serving on the weekends in the Spring. Mark and I are both receiving applications and working on building Daddy's perfect teams for weekend #63!

I appreciate every prayer that is being lifted up on my behalf and I pray I will be able to do exactly what Daddy needs me to do.

As the mantle has passed, I ask that you continue to be in prayer for Anne Lisk and David Poole as they get some much-needed rest, and that Daddy would bless them as they have done a great job following His lead. Pray also for the upcoming Rectors of #64 as we will soon be able to call out their names to Him in prayer.

I love you all!
