

DeColores Communique November 2023

Here we are...preparing for Weekend #67. I'm a numbers girl so 6 is man's number and 7 is the number of perfection/completion. It is my prayer that the NFTD Community and the upcoming weekends will find favor with God and man. To the New Pescadores...Welcome. Our prayer as a Secretariat is that you are experiencing a Fourth Day that is both challenging and rewarding. We also hope that you are prayerfully consider serving and sponsoring. Remember...serving doesn't necessarily mean being on the campground. Perhaps you are considering sponsoring a single mom or a couple who need help with childcare, errands, etc. during their weekends. Maybe you have a single man in mind who has a dog that might need walking while he's away. All those things are service unto The Lord and the Candidates. Above all...pray! Prayer is the foundation of any Tres Dias Weekend. I look forward to meeting, getting to know you and serving alongside you!

To The NFTD Community,

I was blessed to be selected as the Rector for NFTD#67. What I didn't know was how many "moving parts" there are to a Tres Dias weekend, but fortunately there are mighty men God in the community who have come up beside me, mentoring and helping me with this huge responsibility. Having said that, things are going quite well with the team development, however, I certainly solicit prayers from the community. We want to know very clearly what the Holy Spirit is telling us for NFTD 67. Team selection is still on going and I am encouraging the men in the community to sign up to serve. The Lord has given me the assurance that his Holy Spirit will be present on the weekend as we desperately seek His Holy presence. I anticipate that the weekend will be powerfully blessed and I don't want any of you to miss it. It's not too early to think about candidates for sponsorship. We hope to have 36 or more candidates on the weekend so please begin identifying possible candidates. I will begin making calls to the team applicants next week to inform them of their team position. The sign up process is very easy for both team and candidates. Go to NFTD.org and submit your team application and your candidate application. As it stands right now the theme for the weekend is "Desperate for God's Holy Presence" and the song for the weekend is "Breathe" by Michael W. Smith.

Fourth Day

Hello Brothers and Sisters,

The Victory Sequela will be held at Thomasville Road Baptist Church, Tallahassee, FL on Saturday, November 11th at 5:00pm. For all our new Pescadores, this is where send off was held. It will be in the Youth Building behind the church. We ask that everyone bring a side dish and/or a dessert, pork chops will be provided. Also, please note there will be no childcare during the Sequelas.

This is a time for us to come together as a family and welcome our new brothers and sisters into the Tres Días flock. Our prayers have been that no matter what they know Jesus is right there holding their hands! We are looking forward to fellowshiping, praising, and enjoying a meal together!

In Hebrews 10:24-25 it says... In response to all He has done for us, let us outdo each other in being helpful and kind to each other and in doing good. Let us not neglect our church meetings, as some people do, but encourage and warn each other, especially now that the day of His coming back again is drawing near.

Hello my Sweet Tres Dias Brothers and Sisters!

Wow! What a journey it has been this last year! It's one I will never forget that's for sure! Indescribable, the moments that are etched into my heart!

To my Team of #66

I can never thank you enough for your sacrifice that you made during this walk with Jesus. You came and were truly Jesus with skin on. I was a vessel that the Lord used and you were right on carrying the vision that he gave me out. I listened and moved when he asked, a task that I did not take lightly. I know that the candidates were changed and forever will never be the same. I love each and every one of you. I was given confirmation after confirmation of the specific placement of each of you, down to the candidates' places. He never gets it wrong! His timing was perfect and he, along with each of you made it Beautiful!

Now moving forward let's all be in prayer for Chris and Tina and the weekend #67.

Trusting in his Perfect Timing,
