

So many wonderful things coming up. Today (Saturday, February 10) is the Women's First Team Meeting. We are all over the moon about getting back together after 6 long months!

The Men will begin their team meetings next Saturday and you can feel the excitement building throughout their group, as well!

Sequela tonight at LifePoint in Tallahassee. Team Meetings. Pescadore Orientation on the 24th! Wow, what a month.

Hey, did you know you can access the International Tres Dias website as well as join their Facebook Group. Lots of great information! Just like NFTD Secretariat is the governing body for this community, International Tres Dias is the governing body for the entire movement!

De Colores!

First of all I want to give a big “Thank You!!” to Ron Vunkannon for his years of service as the Treasurer and mentoring me to get me up to speed. Bless you, brother.

From my perspective as the Treasurer for NFTD, the main color of *de colores* is green. As we approach the men’s weekend, we will see our income go up, followed closely by expenses going up. Please keep an eye on your expenses and remember that this is God’s money, and we should strive to be the best stewards we can be with it. I have a friend from Germany, and he says that he "turns a penny over three times before he spends it".

By the way, I’m Sean Nyberg, your new Treasurer. I've been a part of the NFTD community since weekend #18 way back when we took dinosaurs to Camp Suwannee and there were only caves to sleep in.

I'm looking forward to getting to know more of you in the next few months as I take on this new role.

Warmest regards,
Sean

De'Colores NFTD family. Thank you so much for your faithfulness to petition God about the community and His church as a whole. I pray you're planted in local bodies of believers fulfilling the call to serve as He is leading you. In the opportunities to serve, He is making ways for His Kingdom to thrive! I encourage you all to not get weary in well doing, for in due season the harvest will be great. His Word never returns void and He's faithful to finish the work He began in us all. Keep your faith in His ability to do exceedingly more than we can ask or imagine. You are loved.

“It’s coming! It’s coming!”

We’re all sooo excited because the weekend is coming at last. There are still a few spots remaining just for you. Your opportunity is here once again to be the hands and feet of Jesus. Join in the eternal parade for the souls of men and women.

Jesus needs you!!

Kay King, Women’s Leader.

As the new year is flying by already, God has been speaking to me about generosity. Generosity in my time, my talents, and of course money.

I thought it was pretty cool of Him to lay that on my preacher's heart for this month's sermons also.

Generosity is one of the things that I enjoy seeing in my brothers that serve Tres Dias weekends. I've never been on a weekend where most men are willing to give over and above of their time, talent and money.

For me this comes from a keen appreciation of what God has done for us. Knowing at least in part that He's given us much more than we can give back. This was one of the biggest things he taught me when I went through on # 9.

As we get ready for the NFTD 67 weekends, I look forward to seeing, and being, the hands and feet of our Lord.

A message from the Men's Rector of NFTD 67

Time is going by quickly for the upcoming NFTD 67 Weekend. There are 104 team members including the four spiritual directors, leaders and team. Worship songs have been chosen as well as Serenade songs. Practice talks occurred on February 3, 2024 at Victory Fellowship Church. Wow is all I can say!

The weekend banner is in production and the shirts are being quoted to make sure we get a quality product that glorifies God.

Team meetings will begin on February 17 and the men are ready to gather together to worship God and serve the candidates.

Chris E Ambrose, Rector of Men's NFTD 67

Brothers & Sisters,

The next Sequela will begin at 5:00pm on February 10th at LifePoint Church in Tallahassee, Florida. Meat and drinks will be provided so please bring a side and/or dessert. Come join us as we fellowship, share a meal and worship our Father together.

And above all these put on love, which binds everything together in perfect harmony... Colossians 3:14
