### *A New Way of Living!*

Did your Tres Dias experience launch you into a new and improved way of living? Give you a new outlook on life? Further your understanding of grace? Deepen your relationship with God? Enhance your leadership skills within your church, job, or family?

If you were able to answer yes to any of these questions, take a moment to thank your sponsor for their obedience and wisdom in sponsoring you on a weekend. Now...think if there is somebody that you could bless in the same way. Do you know someone that you could sponsor?

Over the past several years, sponsorship within the community has declined. Whatever the reason, you have the opportunity to change this. We all have the opportunity to change this. It isn't someone else's responsibility to sponsor a candidate. It is all of our responsibilities to sponsor candidates.

When you consider sponsoring someone to a Tres Dias weekend, think of how Jesus prepared His disciples for their Christian walk – He spent three years in close friendship with them, mentoring and preparing each one for the work He would call them to.

Diligently pray and seek God as to those who might benefit from a Tres Dias weekend. God will bring those people to your attention. Our community is a widely diverse family awaiting the opportunity to welcome these people into our family.

"We give thanks to God always for all of you, making mention of you in our prayers: constantly bearing in mind your work of faith and labor of love and steadfastness of hope in our Lord Jesus Christ in the presence of our God and Father, knowing brethren, beloved by God, His choice of you." 1Thess 1:2-4

Because kind words  
are like honey,  
sweet to the soul  
and healthy for the  
body.

## Looking for another way to serve?

**Kairos 24 • Aury State Prison • April 28 - May 1**

We want 42 team members. But most important is that those 42 be hungry to be genuinely used by God in a self-sacrificial way. Kairos really multiplies the principle that you receive to the extent that you bring a spirit of idealism, cooperation, and love. God always seems to say to me: *Test me. Pour yourself out, and see if you don't experience me, poured out in you.*

There are 5 team meetings in Thomasville on Tuesday nights, from March 22 to April 23. If any of my old friends from NFTD feel called to join me in this leg of the pilgrimage, let me know and I will send you a team application. Spread the word about Kairos to NFTD. Remember that NFTD was actually born in answer to the prayers of the Kairos community at FCI. Keep Kairos 24 in your prayers, brothers.

God bless you,

### **Come serve! Secretariat Positions Coming Open!**

We often hear from folks who say they enjoyed serving. Some even say they received more of a blessing by serving than when they attended their weekend. Well, now you may even have the opportunity to further give of your time and talents. Remember the saying, "it only gets better". Well it's true, it does get better! Every year about 1/3 of the secretariat rolls off their term of service and gives others in our community the opportunity to take their place. For the term beginning January 2012 the following five positions will be coming open:

**Chairman • Weekend • Palanca • Treasurer • Data Coordinator**

Membership on the Secretariat is open to any Pescadore who has served on at least three weekends, one of which they have been a Professor, or in any head position, and who meets the qualifications in the By-Laws sections 6.3, and 6.7, in addition to any individual qualifications needed for a specific position.

#### **All members of the Secretariat must hold the following qualifications:**

- 1) *Maintain a lifestyle compatible with Biblical leadership.*
- 2) *Demonstrate a record of support of the TRES DIAS movement.*
- 3) *Possess the skills required by the Secretariat position job description.*
- 4) *Have served on at least three Weekend teams, preferably in different areas.*

If you are interested and would like to know more, please visit the website where you can read more about the qualifications required to hold a position on the Secretariat. These qualifications may be found in Sections 6.3 - 6.9 of the Tres Dias By-Laws. You may also contact one of Secretariat members who will be rolling off to find out more about their specific position and responsibilities.
