Welcome to the Community!

Welcome to all of the new pescadores who experienced the awesome outpouring of God during North Florida Tres Dias #44. God showed up and showed out...as always, and not only were the candidates blessed, but the team was blessed as well. It was amazing and a testimony to God's love, grace and mercy to hear what the candidates had to share at closing.

"God's everywhere I go."

"I have been born again. I am free!"

"God's awesome and will always be with me."

"I know that God loves me."

"I am a beautiful daughter of God."

"I've been delivered and set free!"

"If He (God) doesn't exhale, I can't inhale."

"An extreme power has blown through this building."

"I have a renewed appreciation for how much fun church can be."

"I now have a restored fire and renewed passion for God."

"This is the first time that I told God verbally, out loud that I love Him - and it is a release."

"This is a radically loving community. The love of Christ that God wants us to see is displayed within this community."

"I now have a renewed love for my Saviour and a better understanding of His grace & mercy."

"God loves me...for me."

"God is now my Lord, my Savior, the lover of my soul...my everything."

Wait & Depend Upon the Lord!

Hello Tres Dias community all I can say is **PRaise THE LORD!!** What a wonderful weekend have the team and new Pescadores just experienced. I humbly thank all who were involved from the Head Cha down to the dishwashers and to the Lovely Ladies of The LORD who came to praise and worship Almighty God and allowed us to watch and listen. I asked the team to be still and know that he is God in the rollo room and they did as I requested. As a matter of fact the team honored all of my requests and performed in the manner of the best North Florida men's Team ever assembled. It was an extreme honor to serve as rector and it was truly one of the best weekends of my entire life, and I shall treasure the memories as long as I live.

New Pescadores came expecting a blessing and boy did they ever get one. Hearts and lives were changed and the guys left as Godly changed people. Hearts were turned over to the LORD JESUS as LORD and SAVIOUR. The guys came together as a Band of Brother on Saturday night. In Closing I say to the new Pesca-dores: go back into your church and become a better and more effective leader. Love and pray for your Pastor and get involved in a reunion group. If you decide to get more involved in Tres Dias and I hope you do then stay in touch with your table mates, come to the Victory Sequela and talk to your sponsor. To the Com-munity I thank you for asking me to serve as rector of Men's #44 and I am eternally grateful. Wait and Depend Upon The LORD!!!

Bob Alvis, Rector Men's NFTD#44

Hope...Abounding & Overflowing!

I was filled with overflowing joy, hope, and gratitude as I walked one last time from the rollo room to the chapel on Monday morning.

I thank my God for every time I remember you.(Phil 1:3.) I thank God for renewing and restoring His overflowing hope to the candidates and team. I thank the team of NFTD #44 for serving the candidates and each other shoulder to shoulder. I thank the candidates for allowing me to share their journey. And I thank the Tres Dias community for covering the weekend in prayer. Serving as rector alongside such an incredible team has been a tremendous honor.... one that I won't forget. Thank you.

I leave you with these thoughts: It does not matter what you are going through, what you have done or what has been done to you; as long as you have the confidence that God will see you through. Know that your hope is in Jesus and His hope is in you. Stay focused on who you are in Him and that His hope is abounding within you and is waiting to overflow into others. Let it overflow!

There is still Hope..... Abounding and Overflowing!

With Hope,
Pam Mason
Women's Rector of NFTD #44
