## The Heart of The Women's Rector...

It is my desire that each of us grow in a deeper relationship with our Lord Jesus Christ. The scripture for this weekend is Revelation 3:11-12. The title God has given is "God's Promise 'Unchanged.'" It is in the beginning as it is in the end all about Jesus and growing in relationship with Him. He is the Alpha and Omega, Beginning and End. This holds true through all scripture. God's Son is God's Promise, unchanged. I'm looking forward with great expectation to what God has for this weekend and encourage each of you to listen closely to the Holy Spirit as he instructs you on this journey.

The weekend is very rapidly approaching so if you have been or are praying about sponsoring a couple, please get the application submitted as soon as possible. Remember the blessing that you have experienced and will continue to experience by being part of the community of North Florida Tres Dias.

### Return Service Requested

Anyone who knows me, knows my passion for the Tres Dias community. I attended NFTD #34, and have been blessed and honored to serve every weekend since that time. Now for a shocker: I have never sponsored anyone for a weekend...until now, and I'm so very excited about it! Do you know why? I came back from my weekend ready to sponsor anyone because after all, doesn't EVERYONE need Tres Dias? No. You have heard it said that "Tres Dias is not for everyone." That's true.

Sponsorship is a commitment to pray and seek God's guidance, as well as His timing. It is a commitment that when He reveals who **He** wants you to sponsor, you are obedient. Sponsorship means that will you see that your candidates are prepared physically, mentally and spiritually for the weekend. Sponsorship means you will get them to send off (on time). If you are not serving the weekend, bring your candidate, but if you are serving the weekend... **please stay on the campground** as there is much to be done in preparation. And, don't forget candidates need to be picked up at closing!

While your candidates are on their weekends, make arrangements to help serve their families. Assist new Pescadores understand what Living the Fourth Day means. Call your candidates and encourage them (before and after the weekend). Pray unceasingly for them. Make sure they are at the Victory Breakfast and Sequela and commit to walking with them for at least the next six months.

Now, don't be intimidated by all that. Remember, where God guides, He provides! So pray and then jump in, sponsor a couple for the upcoming weekends.... because sponsors GET TO be a part of Our Lord and Savior's mighty work in the hearts of His Children.
