## ***PIETY, STUDY, ACTION***

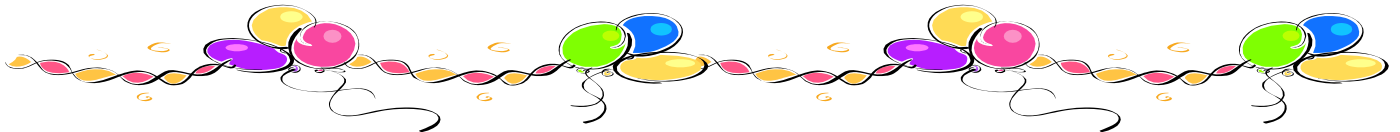

### ***Comments from New Pescadores at closing:***

#### **Men:**

"There's a world out there hurting - needs God's love - now I have something to say to spread God's love..."  
"God told me that now He can make me the husband and daddy that He wants me to be - He's my friend and He adores me."  
"...saw love of God poured out by people who didn't know me - gave me a glimpse of God's love..."  
"God showed me that I took for granted my kids and wife. This weekend showed me that I need to be the leader of my household."

#### **Women:**

"...awesome healing right here where I needed it."  
"...truly experienced God's love - completely unimaginable - will extend that love to family and friends."  
"...was able to cast away a lot of heavy burdens - looking forward to what Jesus has for me."  
"God had me remember one word: love - how to give, receive, and let it flow through me."

The Teams of NFTD #43 will probably begin to meet in mid-late August. \$120 (Weekend and Team Fees) is due at the beginning of those Team Meetings. If you **START SAVING NOW**, you will only need to save \$10/week. Pack a lunch once a week instead of eating out; stay away from vending machines when those mid-afternoon snack attacks start; skip a movie; resist the urge to make a Latte stop. Take the cash you would spend on those things, stick it in an envelope once a week and before Team Meetings start, you can have your fees ready to be paid. **"...for where your treasure is, there your heart will be also."** *Matthew 6:21*
